

# Hwy 53 Eveleth Rock Ridge Transportation Improvements

Work on Hwy 53 in Eveleth begins April 2025 and is anticipated to be complete in October 2025.

## Work Summary

- Remove and replace bridges at the interchange of Hwy 53 and Hwy 37
- Safety improvements at intersections on Highway 53
  - Bourgin Road: geometric improvements
  - Progress Parkway: roundabout
  - Hat Trick Avenue: geometric improvements
- Pavement resurfacing from Hwy 37 to Vermillion Drive
- Improvements to sidewalks, trails, and intersection lighting

## Traffic Impacts

Motorists can expect lane closures starting in April. Once bridge work starts, a truck detour will be put in place. Hwy 53 traffic will be routed on Hwy 37 ramps during different stages of the work. A detour will be in place from the beginning of June until the end of August on local streets. Temporary signals will be utilized at select locations. Visit the project websites to see up to date traffic impact information. Work is expected to be complete in October 2025.
