1. Update regarding recent VEEDA meeting

Mayor Vlasisavljevich discussed the recent VEEDA meeting. Vlasisavljevich said there are multiple parties interested in the 1404 Progress Parkway building. Rock Ridge School District is interested in the building, but also the parking lot, as the new school does not have adequate parking. He would like to see VEEDA make a decision as to what is best for the City.

The Council is in favor of the facility being used as taxable land, and would like to see a business purchase the building which would further economic development in Eveleth.

The meeting adjourned at 8:47 a.m.
